ABOUT US

SAM food & beverages was established in the year 2021 by a group of three friends and business partners with the aim of creating a preeminent company in a fast growing Bangladesh food and drinks industry. Leveraging our expertise in Manufacturing, distribution and value creation, we embarked on this journey and have not looked back since. Since 2021, we have developed a range of products and continue to research and develop more products continuously. As of today, our company has over 50 SKUs and is sold through our own distribution team of 700 members all across the country and we are actively exploring export opportunities around the world.

OUR MISSION

Stadium Export Services is a leading manufacturer of custom built export packaging solutions and an international import and export freight services provider.

Our mission is to provide a superior quality, cost effective end to end export and import service, through strong customer focus, continuous improvement, reliability and trust – consistently exceeding our customers' expectations.
